HIDDEN HOLLOW HORNETS

- Your Neighbors

At Hidden Hollow we are happy to be part of the Ranches community in Eagle Mountain! We strive each day to provide a safe, quality education for students while promoting a collaborative relationship with the community.

We are guided by four essential questions:

1. What do we expect students to learn?
2. How will we know what students have learned?
3. How will we respond to students who aren't learning?
4. How will we respond to students who already know?

These questions allow teachers to identify strengths as well as areas for improvement.

Hidden Hollow utilizes the modified extended-day instructional model. On the modified model, students are assigned a core teacher and stay with that teacher all day with the exception of a 45-minute specialty class (P.E., Computers, or Music) twice per week during the middle of the day. Each teacher's class is divided into two tracks. The early track attends school from 8:00 am – 2:15 pm and the late track attends from 9:15 am – 3:30 pm.

The greatest advantage to this model is a block of time every day from 8:00 – 9:00 am and again from 2:30 – 3:30 pm when teachers have smaller classes (half size). We are very protective of this time and consider it the most important time of the day. During this time there are no interruptions of instruction, such as recess, announcements, or assemblies. Teachers are able to focus on improving student skills in reading, writing, and math in a small group setting.

During the middle of the day (9:15 am – 2:15 pm) teachers have their entire class. Announcements are made, assemblies are held, and students have recesses, lunch, library, and specialty classes (P.E., Computers, or Music). Teachers continue with additional math and literacy instruction as well as science, social studies, and art.

****Please note that the address and telephone number for our school have changed. They are listed on the other side****

School Trust Lands

The School Trust Lands Administration has the responsibility to generate funds for Utah's public schools from public lands that are held in trust by the state. Hidden Hollow received \$36,735 for 2010-2011. After gathering input from patrons and teachers, the School Community Council determined how to best use these funds to support academic needs at Hidden Hollow.

With those funds and as part of the School

Improvement Plan we have:

1. Purchased big books and Leap Frog materials for Kindergarten.
2. Purchased "I See Sam" for struggling readers in 1st and 2nd Grade.
3. Purchased science materials, including experiment kits, supplies, fossil and rock collections, microscopes, etc. for 3rd through 6th Grades.
4. Purchased ELMO document cameras for all grade levels to enhance instruction.
5. Added titles to the Take-Home Reading Library
6. Set aside funds to send teachers to Utah CORE Academy, CITES Conference and other professional development opportunities.

Measuring progress towards academic goals:

We will measure progress in reading goals in the lower grades by tracking data from the fall and winter DRA (Direct Reading Assessment) scores. These data allow us to modify instruction and use reading interventions for struggling students. We will also use the CRT end-of-year test scores to determine progress in language arts and science.

** The school Trust Land Plan is reviewed annually by the School Community Council.

PTA Executive Board

<i>President</i>	Barbie Morton
<i>President-Elect</i>	Cynthia McNaughton
<i>Secretary</i>	Jacque Beers
<i>Treasurer</i>	Wendy Hardy
