## School Trust Lands

The School Trust Lands Administration has the responsibility to generate funds for Utah's public schools from public lands that are held in trust by the state. Hidden Hollow received \$81,034 for the 2017 – 2018 school year. After gathering input from patrons and teachers, the School Community Council determined how to best use these funds to support academic needs at Hidden Hollow.

### ***With those funds and as part of the School Improvement Plan:***

- \* 70 Chromebooks and 2 carts were purchased.
- \* Teachers were paid to collaborate for up to four days in the summer. They spent that time preparing to teach the common core curriculum and refining curriculum maps and common assessments.
- \* Teachers participating in various Professional Development opportunities throughout the year, including sending a group of teachers to the Ron Clark Academy.
- \* Double dosing was funded.
- \* We renewed many software licenses, but the school district also paid for some of those renewals.

### ***S.A.G.E. Year-End Test Results (percent of students proficient):***
